

How many obstacles can you run around or jump over in 60 seconds?

Be creative! Place out objects (whatever you can find) around the space. Each time you jump over an object you score a point.

You need lots of objects and a large space. Use safe objects to jump over. What creative objects can you find?

Try jumping over the same object and see how many times you can jump over the same object in 60 seconds.

This game is best played outside with different family members.

**Achieve Gold**  
35 points

**Achieve Silver**  
25 points

**Achieve Bronze**  
15 points

Once you have completed the task you can record your achievement on a sheet of paper, a form from the PlayOn website or by clicking [HERE](#) and submitting your results. Once you are complete you will be awarded a PlayOn medal on the average of your results - have fun and show some grit, determination and perseverance.
