

How many times can you bounce over an object in 60 seconds?

Both feet must land over the object for the jump to count.

**Jump over an object!**  
Find objects you can jump over safely. Be creative with your objects.

**Set a Record!**  
How many times can you bounce in 60 seconds? Try again. Try again to beat your record.

**Compete against someone else.**  
If you touch the object you must stop bouncing.

**Achieve Gold**  
70 bounces

**Achieve Silver**  
50 bounces

**Achieve Bronze**  
30 bounces

Once you have completed the task you can record your achievement on a sheet of paper, a form from the PlayOn website or by clicking [HERE](#) and submitting your results. Once you are complete you will be awarded a PlayOn medal on the average of your results - have fun and show some grit, determination and perseverance.
